

July 2015 Monthly News Bulletin

Dear Enroll-HD Investigators and Site Staff,

An Enroll-HD progress update over the past month:

Enroll-HD data access and website update

- The new [Enroll-HD website](#) is now live – and the **first release of the coded Enroll-HD periodic dataset is now available there** to any researcher employed at a recognized research institution or company. You can learn more about [the types of data and biosamples that are available](#) and the simple and straightforward [process to access the Enroll-HD dataset and biosamples](#). If you're a principal investigator at an Enroll-HD clinical site then your login details for the EDC system will also allow you to access the periodic dataset.
- Also on the Enroll-HD website you can find lots of information about how the study is structured and the people who keep it running, from site staff to participants to clinicians to researchers. Please share the link with your colleagues and your participants and check back often for new articles, updates and announcements.

Recruitment update

- As of **July 1st**, a total of **6,564 participants** have been enrolled at **116 sites** in **12 countries** around the world. See below for further details regarding Enroll-HD recruitment.
