Huntington Society of Canada – Brain Canada Research Update meeting

Please join us for a HD research update meeting on **August 30, 2017**. Drs. Leavitt, Hayden, McBride, Stanimirovic and Albuob will be sharing their latest research that will be carried out in conjunction with their Huntington Society of Canada - Brain Canada grant.

A question and answer session will follow the presentations.

Coffee and cookies will be served at 3:30pm.
