### YPAHD Chapter

YPAHD helps youth think about and discuss things like genetic testing, family life, and dating with HD, and supports them in their struggles of being affected by the disease. This group gives young people someone to relate to, talk to, and lean on. This support system can be incredibly important during this stage in life and beyond.

#### Chapter Meetings

YPAHD is a virtual chapter that meets monthly via phone. YPAHD conference calls are typically scheduled during the evening of the second Sunday of each month but this schedule is subject to change.
