

## Sponsorship Opportunities

Saturday, March 14, 2020

# Pot O' Bowl Sponsorship Opportunities:

**\$500**

Bring us the 'Leprechaun's Luck', and help in the funding of research and support of families affected by Huntington disease.

**\$300**

Sponsor at the 'Follow the Rainbow' level and help get the fun rolling!

**\$150**

Be our garden of lucky 'Four Leaf Clovers' as we raise money for this great cause!

**Prize Donor**

Donate a prize for the "greenest" team, or items for our silent auction!

Prize donors will be recognized at minimum through labels/signage on their item at the event.

# Sponsor Recognition:

Entitlements	Leprechaun's Luck (\$500)	Follow the Rainbow (\$300)	Four Leaf Clovers (\$150)
	2 Available	5 Available	Unlimited
Your business announced throughout the night as a lead sponsor of the event.	●		
Your business listed on the scoreboard bowling monitor during the evening.	●	●	
Your business listed on the online registration site	●	●	●

# About The Huntington Society of Canada

## Our Mission

The Huntington Society of Canada maximizes the quality of life of people living with Huntington disease (HD) by:

- Delivering services
- Enabling others to understand the disease; and
- Furthering research to slow and prevent HD.

## Our Vision

A world free from Huntington disease.

## Who We Are

The Huntington Society of Canada is a not-for-profit charitable organization which raises funds to deliver individual and group counselling services to support individuals and families living with HD and to fund medical research to delay or stop the progression of the disease. The Society also works with health and social services professionals to enable them to better serve people living with HD.

## About Huntington Disease

HD is a fatal hereditary brain disorder with devastating effects on both the mind and body. It is like having the symptoms of Alzheimer's, Parkinson's and ALS in one disease. A child born to a parent with HD has a 50% chance of sharing the same fate. One in every 7,000 Canadians has HD and there is currently no known cure or meaningful treatment for HD. The good news is, many researchers and scientists believe that once we are successful in stopping the progression of HD, we will find the answers for many other neurological diseases.

# Pot O' Bowl Commitment Page:

\_\_\_\_\_ Is supporting the HD community as a:  
(Company Name)

- Leprechaun's Luck** (\$500)
