ATLANTIC NEWS

New Brunswick Area

COMMUNITY NEWS

Annie Vanexem, Senior Manager, National Events and Chapter Development attended our Chapter meeting on Jan. 14, 2020. Annie shared the benefits of an active Chapter. We made a calendar for the year. We agreed to focus on four key areas; fundraising, awareness, social, and education. Together we came up with different ideas for each area. We need volunteers to help us with organizing these activities. If you would like to get more involved, please email events@huntingtonsociety.ca for more information.

UPCOMING EVENTS

May Awareness: #LightItUp4HD, blue and purple lights and flag raising at different locations in NB (as COVID-19 precautions allow) during the month of May to help create awareness for Huntington disease.

Check out www.huntingtonsociety.ca/events for the latest events listings.

MEETINGS

There is a growing interest within our community for support groups. Marthe will be contacting people individually to discuss the process and get interested people registered. Marthe will share the details for the date, time, and location of the support group meetings as soon as confirmed.

Young People Affected by HD (YPAHD) Chapter

YPAHD helps youth think about and discuss issues such as genetic testing, family life, and dating with HD, and supports them in their struggles of being affected by the disease. This group gives young people someone with whom they can relate, talk to, and lean on. This support system can be incredibly important during this stage in life and beyond.

MEETINGS

YPAHD is a virtual chapter that meets monthly via telephone. YPAHD conference calls are typically scheduled during the evening of the second Sunday of each month but this schedule is subject to change. Check social media or contact ypahd@huntingtonsociety.ca for more information.
