COMMUNITY NEWS

We are excited to be expanding our chapter to include members from across Saskatchewan! Being affected by Huntington's disease can feel isolating at times, and we want you to feel supported as part of our community. We will be beginning to host conference calls so that members from remote areas or individuals who have a difficult time getting to chapter meetings can still be involved. Please reach out to us if you would like more information on joining in on our Chapter Meetings via conference call.

Young People Affected by HD (YPAHD) Chapter

YPAHD helps youth think about and discuss issues such as genetic testing, family life, and dating with HD, and supports them in their struggles of being affected by the disease. This group gives young people someone with whom they can relate, talk to, and lean on. This support system can be incredibly important during this stage in life and beyond.

MEETINGS

YPAHD is a virtual chapter that meets monthly via telephone. YPAHD conference calls are typically scheduled during the evening of the second Sunday of each month but this schedule is subject to change. Check social media or contact us at ypahd@huntingtonsociety.ca for more information.
