***Note: Securities may be returned to the transferring institution if a copy of this letter has not been sent to BMO Nesbitt Burns, Dilk Advisory Group. Failure to provide sufficient details in this letter may also result in failure to settle.***

***Please note the minimum settlement time is T+3 business days. Please consider this when making transfers as HSC cannot control risk or movement during the transfer period. Physical deliveries involving certificates of shares will require more documentation and will take more time to complete. BMO will establish the book value of shares on the day of the sale. This value will be used to support the value on the donation receipt. Please contact Rachel at [Rthompson@huntingtonsociety.ca](mailto:Rthompson@huntingtonsociety.ca) with questions about the timing of share transfers.***
